

Explorer Mosaics

Liliana Stones, an intrepid explorer, is learning about codes ahead of her trip to some ancient caves. Each symbol stands for a letter in the alphabet:

						
A	B	C	D	E	F	
						
G	H	I	J	K	L	M
						
N	O	P	Q	R	S	
						
T	U	V	W	X	Y	Z

Her first code-breaker is a joke . . . can you decipher the punch line?

What are yellow and make lots of noise?

I Y O H Q I N O T I E E Q X O

Liliana has made her way into the dark caves. She has found an engraving on the wall. Use the code to find the name of another explorer who's lost in the caves.

The lost explorer is: _____

Liliana keeps searching the caves to find the lost explorer and finds a very cryptic message on the stony floor. Half of the tiles have been removed. Reflect each set of tiles in the mirror line, then decode the message.

The message is: _____

Answers:

What are yellow and make lots of noise? Custard Screams!

The lost explorer's name is Francis Drape.

The message on the cave floor is: LOOK NEAR WATER
