

Racing Cars

Add up the minutes on route to see which order the cars will finish the race in.

Lap 1

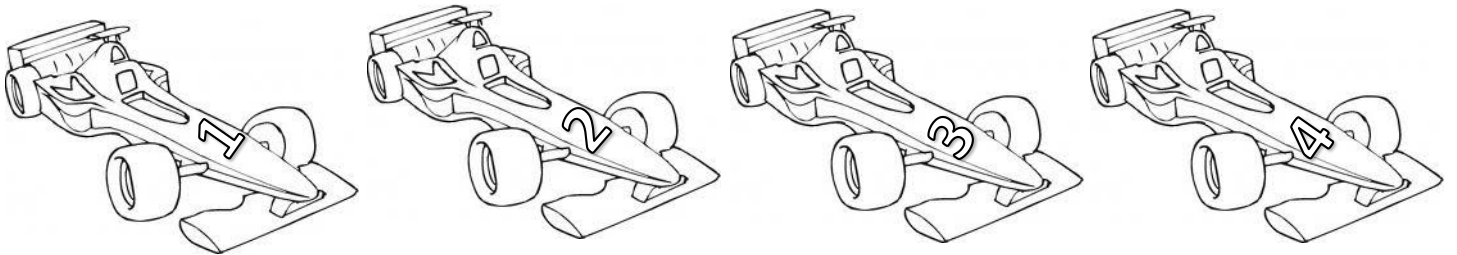

Which car was in the lead by the end of Lap 1? Circle the car.

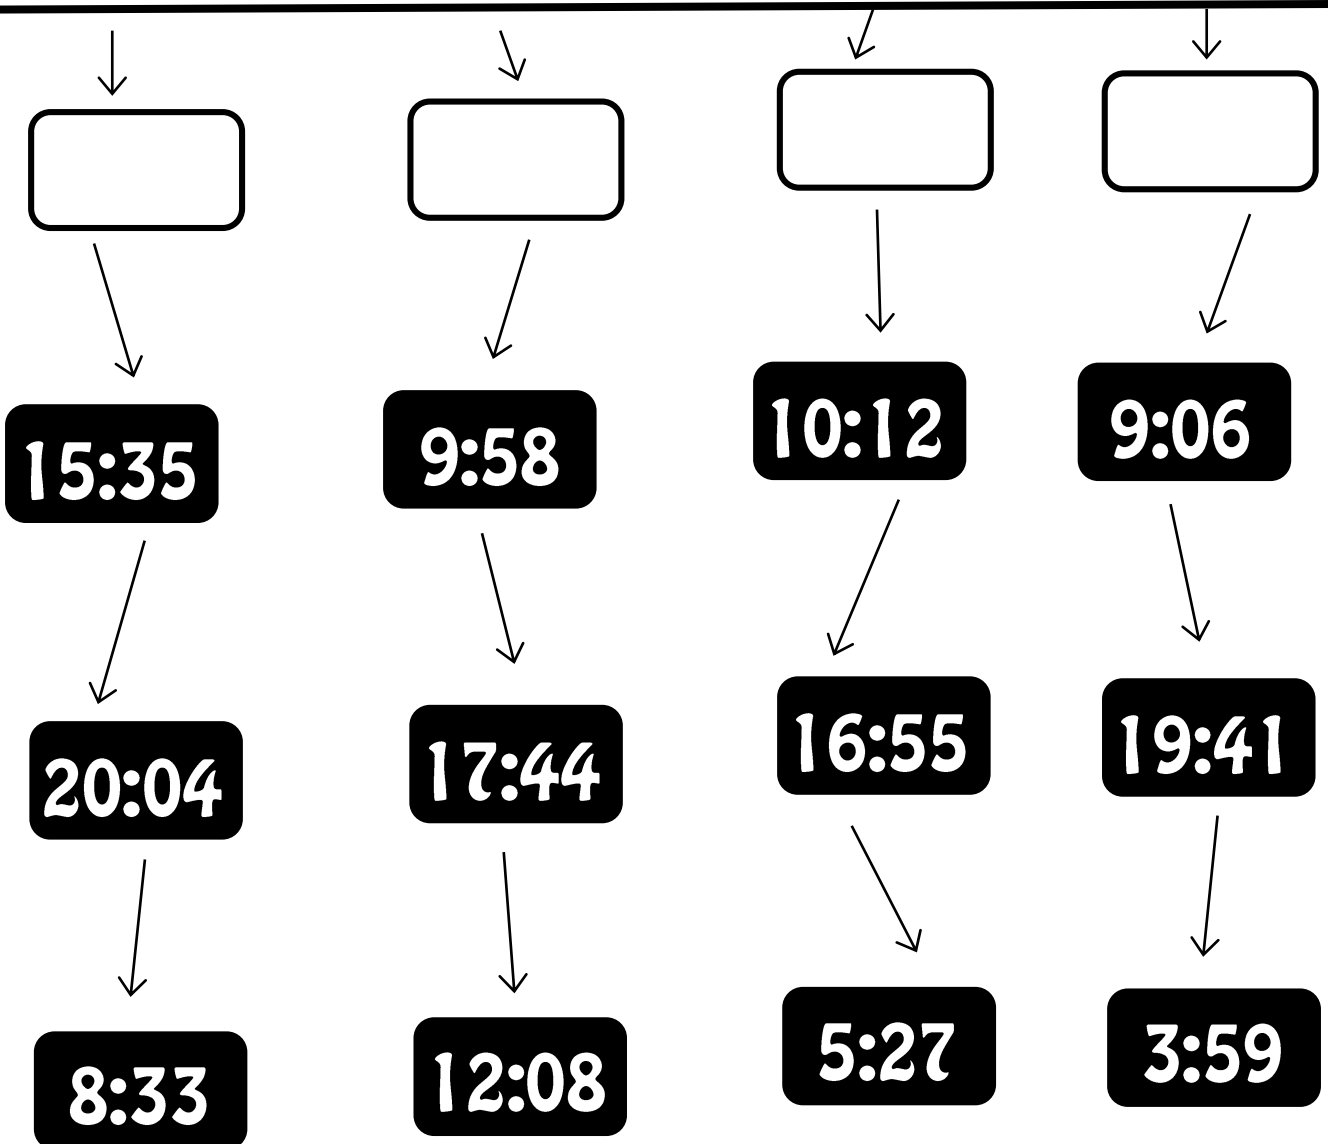

Write the times for each car in the white box at the start of Lap 2.

Carrying on from lap 1, add up the minutes to see who wins!

The car that won the race was red, the car that came second was green, third place was won by a blue car and the car that came fourth was yellow. Colour the cars.

Lap 2

Answers:

At the end of Lap 1, car number 2 was in the lead, so should be the car that's circled.

Lap 1 Times:

Car 1: 17:22

Car 2: 17:02

Car 3: 17:48

Car 4: 21:45

Car 1 – 4th Place – Yellow (Total time: 61:34)

Car 2 – 3rd Place – Blue (Total time: 56:52)

Car 3 – 1st Place – Red (Total Time: 50:22)

Car 4 – 2nd Place – Green (Total Time: 54:31)
