

Time for Tennis!

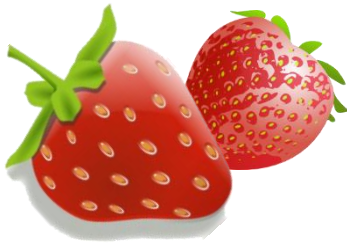

Rounding at Wimbledon! See if you can round to win the trophy!

Practise Session

Round these numbers to the nearest ten. Draw a line from each tennis ball to the correct racket. Circle the ball that is the odd one out.

The image contains 10 yellow tennis balls with the following numbers: 46, 39, 52, 61, 63, 55, 34, 42, 48, and 50. There are also 3 tennis rackets with the following numbers: 50 (blue handle), 40 (red handle), and 60 (red handle).

Strawberries

During the two week tournament 8,328 strawberries are bought and eaten.

Round this number to the nearest hundred

Round this number to the nearest thousand

Aces

Over the course of the two week tournament each player scores 14.53 aces.

Round the number of aces to the nearest whole number.

Round it to the nearest ten

Match Tickets

£557,239 are spent on buying tickets to watch the matches.
